

eFixture-B

Electric, automated exchange fixture system

Art.-No. 101570

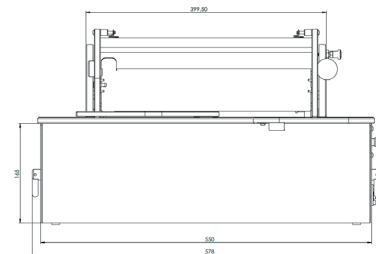

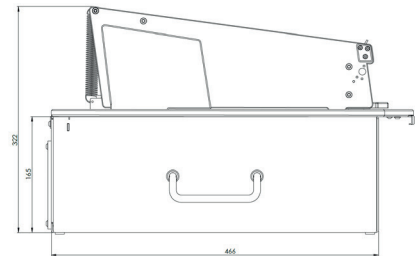

General data

Product:	eFixture-B
Product family:	eLine
Product categorie:	Exchange fixture system
Drive type:	Electric
Automation:	Yes
Housing:	E01-00233
Housing dimensions:	550 x 466 x 165 mm
Dimension (closed):	580 x 525 x 330 mm
Dimension (open):	580 x 525 x 600 mm
Product area:	560 x 475 x 322 mm
Internal interface (max.):	7 pylon blocks
Expandable:	Yes
Delivery:	without exchange cassette
Standard rear panel:	GFK-panel
Housing interface:	Pylon, VPC G12, VPC G12X, VPC G25, Reinhart
Test system:	Variable

Technical data

Kontaktierkraft:	2000 N
Nadeln:	1000 Nadeln á 2 N
Öffnungswinkel:	90° Grad
Parallelhub:	20 mm
Bauteilhöhe:	57 mm
Niederspannung:	<60 Volt
3-Stufen Kontakierung:	Ja
Spannung:	24 V
CE-Kennzeichnung:	Ja
RoHS-Konformität:	Ja
ESD-Konform:	Ja

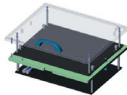

Exchangeable cassette compatibility

ATX ME2WK-BX

Art.-No. on request

INGUN ATS12

Note:

The eFixture-B base exchange fixture is supplied without an exchange cassette as standard. When ordering with the ATX ME2WK-BX exchange cassette, please order the corresponding cassette part number separately.

For use with the INGUN ATS12 exchange cassette, simply order the base unit.
