

eSlide MMIWK-A Electric Drawer System

Part No. 101553

General Information

Product:	eSlide-MMIWK-A
Produkt family:	Automation
Product category:	Electric Drawer System
Drive type:	Electric
Automation:	Yes
Width:	452 mm
Hight:	474 mm
Depth:	562 mm
Unloaded Weight:	55 kg
Expandable:	Yes
Internal interface (max):	6 Pylonblocks
Variants:	Stackable benchtop unit / 19-inch rack-mountable
Interface:	Standard Pylon inter face panel (additional options available upon request)
Testsystem:	Variabel

Technical Specifications

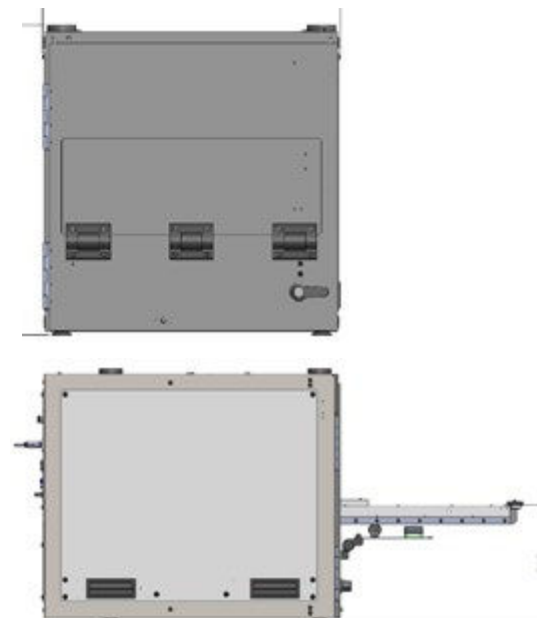

Contact force:	2000 N
Test porbe:	1000 test porbes á 2 N
Component height:	50 mm
Low voltage:	<60 Volt
3-stage contacting:	Yes
Voltage:	24 V
CE-marking:	Yes
RoHS-compliance:	Yes
ESD-compliance:	Yes

Exchange Cassette Compatibility

ATX MMIWK-A

Part No.: 100638

Notice:

The eSlide MMIWK-A drawer system is supplied without an interchangeable cassette as standard. When ordering the system together with the ATX MMIWK-A interchangeable cassette, please also order the corresponding cassette part number separately.
